Features

- **10.5 HP Briggs & Stratton® Engine** - 344cc engine designed to deliver reliable and consistent power for residential yard maintenance.
- **30-Inch Cutting Deck** - Compact mowing deck ideal for navigating smaller lawns and tight yard spaces efficiently.
- **Hydrostatic Drive Transmission** - Provides smooth, easy operation with simple speed control for comfortable mowing.
- **LED Headlight System** - Improves visibility for mowing in low-light or early morning conditions.
- **Automotive-Style Oil Pump System** - Fully pressurized design for improved engine lubrication and durability.
- **High-Back Open Seat Design** - Oversized base with elevated back support for added operator comfort during use.
- **Compact Riding Design** - Small rider format built for convenient storage and maneuverability.

Best Use

- **Small Residential Yards** - Ideal for homeowners with compact lawns needing efficient mowing

performance.

- **Tight Spaces and Narrow Access Areas** – The 30-inch deck allows easy navigation around landscaping and obstacles.
- **Low-Light Mowing Conditions** – LED headlight supports visibility for early morning or evening lawn care.
- **First-Time Riding Mower Users** – Simple hydrostatic transmission makes it easy to operate for residential users.
- **Budget-Friendly Lawn Care Options** – A great match for shoppers looking into [Magee hot deals](#) for value-driven equipment purchases.
