Product Description

Cub Cadet XT1 LT42 Riding Lawn Mower

- The Cub Cadet XT1 LT42 is powered by a Kohler single cylinder 541 cc engine
- 42-inch stamped, 13-gauge, twin-blade deck with 12 cutting positions.
- Equipped with an optimized steering system for responsive handling to give a 16-inch turn radius a zero-turn feel.

Features

- **Kohler® Single-Cylinder Engine (541cc)** - Designed to deliver dependable residential mowing power for consistent yard performance.
- **42-Inch Stamped Steel Deck** - 13-gauge, twin-blade deck built for balanced cutting and reliable durability.
- **12 Cutting Positions** - Adjustable mowing heights for flexible lawn finishing across different grass conditions.
- **Optimized Steering System** - Provides responsive handling with a tight 16-inch turn radius for improved maneuverability.
- **Twin-Blade Cutting Design** - Helps deliver a clean, even cut across residential lawn areas.
- **Residential Lawn Tractor Build** - Designed for dependable everyday mowing performance in home environments.

Best Use

- **Residential Lawn Maintenance** - Ideal for homeowners maintaining small to medium-sized yards.
- **Yards with Landscaping Obstacles** - Tight turning radius helps navigate trees, flower beds, and tight corners.
- **Seasonal Lawn Care Routines** - Supports regular mowing schedules for maintaining a clean lawn

appearance.

- **Homeowner Upgrade Option** – A strong choice for shoppers exploring [Magee hot deals](#) for residential mower savings.
- **General Lawn Tractor Use** – Suitable for users researching [cub cadet mowers benefit](#) when comparing XT1 series models.
