Product Description

DeWalt Cultivator Attachment DWOAS3CL

Transform your DEWALT® Universal Attachment Capable Power Head from string trimmer or edger to cultivator for on-the-go versatility. Featuring 4 steel tines equipped with 8 blades, this effective tool turns over soil for a healthy garden bed. This cultivator can be adjusted to till up to 9 inches wide and up to 5 inches deep. As a part of the DEWALT® Attachment-Capable System, this attachment allows users to convert the DCST972 60V MAX* Attachment Capable String Trimmer or DCED472 60V MAX* Attachment Capable Edger into other outdoor tools to help maximize productivity potential.

Features:

- HIGH VERSATILITY AND PRODUCTIVITY - Go from trimming to cultivating quickly with this powerful attachment.
- PART OF THE DEWALT® UNIVERSAL ATTACHMENT-CAPABLE SYSTEM - Convert the DCST972 60V MAX* Attachment Capable String Trimmer or DCED472 60V MAX* Attachment Capable Edger into other outdoor tools to help maximize productivity potential.
- EFFICIENT TILLING - Work quickly and efficiently with 8 blades on 4 steel tines.
- ADJUSTABLE PERFORMANCE - Help optimize soil health with a tilling width up to 9 in. and up to 5 in. deep.
- INTEGRATED GUARD - Helps keep dirt, dust, and debris away from the operator during use.

Includes:

- (1) Cultivator Attachment
