Product Description

Features

Laser-Cut Diamond-Ground Blades -Each blade is laser cut and ground using diamond discs. The hardened cutting edges are highly resilient and remain sharp for a longer period of time.

Onboard LED Indicator -Users know how much battery life they have thanks to an LED indicator.

Ideal for Small Yards -Built with a compact design, this trimmer provides easy maneuverability and long-lasting power—making it the ideal tool for small yards.

Two-Handed Design -

Double-Sided Cutting Blades -

Vertical Hanging Slot -

Compact, Ergonomic Design -The compact, ergonomic design provides more comfortable use.

Blade Scabbard -The blade cover helps protect the cutting blade during storage and transport.

Tip Protector -The tip protector makes cutting near the ground or along walls easier while protecting the trimmer's cutters from damage.

Lightweight Portability -This product is lightweight for easy portability, great maneuverability, and extended use.

Functional Design -The engine housing has smooth surfaces and round contours that help to keep it from getting caught on branches during use. The design also makes cleaning easy.

Rubberized Soft-Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

Throttle Trigger Lockout -This safety feature must be depressed before the trigger can be activated.

High-Tech Polymer Housings -Housings are lightweight, withstand greater impact, and are corrosion-resistant.

Rubberized Soft-Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

Warnings and Safety

Note: STIHL engine products with the Caring for Nature logo are cleaner than EPA Standards for exhaust emissions.

STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.
