Product Description

Features

Battery Powered -

Retractable Chain Guard -Chain guard helps protect users against contact with the saw chain

Low-Vibration Chain -The 1/4" PM3 saw chain allows users to make smooth cuts with low vibration, helping to reduce operator fatigue and provide a more comfortable working experience.

Four-Inch Guide Bar -The four-inch bar allows for precision cutting and pruning.

Removable Bar and Chain -Toolless replacement of the removable bar and chain allows for easy maintenance.

Trigger-Switch Lockout -Trigger-switch lockout prevents activation of the trigger-switch until depressed.

Battery Indicator Lights -This product is equipped with built-in indicator lights, showing the battery status and remaining level of charge.

Ergonomic Design -The construction is designed to provide users maximum comfort and control.

Long Run Times -The AS 2 battery that powers the GTA 26 offers users long run times to get the job done.

Simple Operation -Its ease of use and simple design make this ideal tool for all users.

The STIHL GTA 26 battery-powered cordless garden pruner is the first of its kind on the U.S. market. With its lightweight and compact design, the GTA 26 garden pruner is ideal for a range of gardening tasks. The four-inch guide bar allows for precise cutting and pruning, and its size makes it possible to get to those hard-to-reach spots. Its rubber grips provide ease of use and minimize wrist torsion. This pruner is also easy to maintain with toolless replacement of the removable bar and chain. This saw chain gives you the ability to make smooth and precise cuts with a lower kickback tendency. An LED light display provides charge level and status of the tool. With a battery, charger, multi-oil, and even a transport bag included, the GTA 26 garden pruner set comes with everything you need to take on a variety of landscaping tasks.
