Product Description

Features

Kohler Command Pro CV200 Engine -The Kohler Command Pro engine features a cast iron cylinder and pressurized lubrication with an oil filter, providing powerful performance with dependable engineering.

Blade Brake Clutch (BBC) -The BBC allows the user to leave the engine running and disengage the multiblade to remove objects in the mowing path without having to stop and restart the engine during brief stops.

Hydrostatic Gearbox (Y) -The hydrostatic gearbox provides a wider range of ground speeds to reduce operator fatigue and increase productivity.

22 in. Magnesium Mowing Deck with Polymer Liner -The magnesium mowing deck with a replaceable polymer liner is lightweight for easy maneuvering but provides the strength and durability you need to take on mowing jobs.

Hydrostatic Drive Transmission -The transmission offers an excellent power-to-weight ratio with infinite speed control.

Solid Aluminium Wheels with Ball Bearings -The solid aluminium wheels with sealed ball bearings are designed for exceptionally long life.

Fabric Grass Bag -The high capacity, compact, and foldable fabric grass bag is ideal for large lawns and reducing dust for optimal user comfort.

Wear Plates and Steel Reinforcements -A steel bar on the leading edge of the mower, steel wear strips on the sides of the deck, and a steel skid plate covering the transmission all help prevent mower damage for a long service life.

Integrated and Retractable Lift Handle -The unique retractable and integrated handle helps with lifting the mower or tipping it for service.

Mono-Comfort Handlebar -The state-of-the-art mono-comfort handlebar allows for quick access to the grass bag as well as easy height adjustment and convenient, foldaway storage.

Rubberized Soft-Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

0% Financing on Entire Purchase!

The STIHL RM 756 YC, featuring the mono-comfort handle, reliable Hydrostatic Drive System, and Kohler Command Pro engine with pressurized lubrication and an oil filter, offers professional power, performance, and longevity. Enjoy the large capacity of the foldable fabric grass bag, 22" magnesium mowing deck with a 21.26" cutting width, and replaceable polymer liner. The Blade Brake Clutch allows the operator to stop the mowing blade and remove obstacles in the mowing path without shutting off the engine.

Note: Not available for purchase or delivery in California.
