Product Description

Gravely Pro-Stance 52" Stand On Mower

Take on hills with confidence on the redesigned PRO-STANCE®. With redistributed weight and a lowered center of gravity, the PRO-STANCE offers versatility with a range of deck sizes. The redesigned PRO-STANCE will ensure you maximize your investment.

Features

Height of Cut System - Less deck-lifting force, a thumb release and a vertical pin system add ease to cutting height adjustments.

Adjustable Cruise Bar - Allows the operator to limit and expand the unit's maximum speed in tight working environments.

Added Efficiency - Reduced complexity gives users the freedom to make critical adjustments in just minutes.

Best Use

- **Commercial Landscaping** - Perfect for professional crews needing efficient mowing in various terrains.
- **Hilly or Challenging Properties** - Designed for hills and uneven surfaces with excellent stability.
- **Tight Working Environments** - Adjustable cruise control and compact design allow precise maneuvering.
- **Time-Efficient Operation** - Ideal for landscapers who want quick and easy adjustments for maximum productivity.
