Product Description

Hustler Super SF 60" Kawasaki EFI Stand On Mower - 943506

The Hustler Turf Super SF is the newest and biggest addition to our popular stand-on family of mowers. This monster mower is for the busy commercial contractor who needs to mow large properties with speed and precision. The Super SF comes equipped with dual fuel tanks, our newest fabricated VX deck, and at 26 inches, we've got the biggest tires in the stand-on game. With a heavy-duty hydraulic system including 21cc pumps and Parker wheel motors, the Super SF can reach speeds up to 15 mph

Features

- **60" Fabricated VX Cutting Deck** - Heavy-duty commercial deck designed for superior cutting performance, durability, and efficient grass discharge.
- **Kawasaki® FX1000 EFI Engine (38 HP)** - High-performance fuel-injected engine delivers strong, consistent commercial power and improved efficiency.
- **Dual Fuel Tank System** - Extended operating capacity reduces downtime and supports long hours of continuous mowing.
- **Hydraulic Drive System with Parker Wheel Motors** - 21cc pumps and premium components provide smooth control and reliable high-speed performance.
- **26" Large-Diameter Tires** - Enhances traction, stability, and ride comfort across varied terrain conditions.
- **Stand-On Operator Platform** - Improves visibility, maneuverability, and efficiency in complex mowing environments.

Best Use

- **Large Commercial Properties** – Ideal for contractors managing expansive lawns, estates, and commercial landscapes.
- **High-Volume Landscaping Crews** – Designed for professionals who need speed and productivity to complete more jobs daily.
- **Wide-Open Terrain Mowing** – 60" deck and high ground speed make it perfect for large, open areas with minimal obstacles.

High-Performance Commercial Stand-On Zero Turn Mower
