Product Description

Hustler Super S 36" Stand On Mower - 940288

Hustler's Super S® features superior operator comfort and positioning, operator-friendly controls and a compact stance that makes navigating tight spaces easy.

Features

- **36" Cutting Deck** - Compact deck size ideal for navigating tight spaces and detailed mowing areas.
- **Kawasaki FX600 Engine (19 HP)** - Delivers dependable commercial-grade power for consistent performance.
- **Stand-On Design** - Enhances operator visibility and control for precise and efficient mowing.
- **Compact Frame** - Built for maneuverability through gates, narrow paths, and obstacle-heavy properties.
- **Operator-Friendly Controls** - Simplifies operation to improve productivity and reduce fatigue.
- **Enhanced Operator Comfort** - Designed to support long workdays with better positioning and stability.

Best Use

- **Commercial Landscaping** - Ideal for crews needing a compact and efficient Hustler Super S 36 for daily operations.
- **Tight and Confined Areas** - Perfect for properties with narrow gates, obstacles, and detailed mowing needs.
- **Urban Property Maintenance** - Great for managing smaller commercial sites and residential contracts.
- **Fleet Versatility** - Complements larger units like the Hustler Super S 48 lawn mower for varied job requirements using [hustler lawn mowers](#).

Compact Stand-On Mower for Tight Access Areas

The Hustler Super S 36 delivers reliable commercial performance with a 19 HP Kawasaki FX600 engine, compact 36" deck, and operator-focused design for maximum efficiency. Built for maneuverability and control, the Hustler Super S 36 is ideal for navigating tight spaces while maintaining consistent cutting results. As part of hustler lawn mowers, this [reliable stand-on mower](#) is designed for professionals who need precision, durability, and productivity on every job.
