Product Description

Hustler TrimStar 54" Walk Behind Mower - 942268

Hustler's TrimStar® is a perfect addition to any commercial mower fleet. It makes access to hard-to-reach spots easy and is designed to help reduce operator fatigue.

Features

- **22 HP Kawasaki® FS651V Engine** - Provides reliable commercial-grade power for consistent mowing performance.
- **54" Cutting Deck** - Wide cutting path designed to increase productivity and reduce mowing time.
- **Walk-Behind Commercial Design** - Built for precision control in tight or hard-to-reach areas.
- **TrimStar® Platform** - Engineered to reduce operator fatigue during extended use.
- **Heavy-Duty Construction** - Designed for durability in demanding commercial mowing environments.
- **Fuel-Powered Gas Engine System** - Ensures dependable operation for daily landscaping work.
- **Optimized Maneuverability** - Ideal for trimming around obstacles, edges, and confined spaces.

Best Use

- **Commercial Landscaping Operations** - Perfect for crews needing a reliable walk-behind solution for detailed work.
- **Hard-to-Reach Areas** - Designed for trimming spaces that zero-turn mowers cannot easily access.
- **Property Edging and Detail Work** - Ideal for finishing cuts along fences, buildings, and landscaping features.
- **Fleet Support Equipment** - A strong addition to professional mower fleets for increased versatility.

Commercial Walk-Behind Mower for Precision Trim Work
