Product Description

Hustler TrimStar 60" Walk Behind Mower - 942276

Hustler's TrimStar® is a perfect addition to any commercial mower fleet. It makes access to hard-to-reach spots easy and is designed to help reduce operator fatigue.

Features

- **23 HP Kawasaki® FS691 Engine** - Delivers strong commercial-grade power for consistent cutting performance.
- **60" Cutting Deck** - Extra-wide deck increases mowing efficiency and reduces overall job time.
- **TrimStar® Walk-Behind Platform** - Designed for precision control and access to tight or hard-to-reach areas.
- **Commercial-Grade Construction** - Built for durability and daily use in professional landscaping environments.
- **Ergonomic Operator Design** - Helps reduce operator fatigue during extended mowing sessions.
- **Gas-Powered Engine System** - Ensures dependable performance for demanding commercial applications.
- **High Maneuverability Design** - Ideal for detailed trimming and navigating around obstacles.

Best Use

- **Commercial Landscaping Crews** - Perfect for professionals needing a reliable wide-deck walk-behind mower.
- **Large Property Maintenance** - Efficient for maintaining expansive areas while still accessing tight spaces.

- **Detail Finishing Work** – Ideal for trimming around buildings, fences, and landscape edges.
- **Fleet Expansion Equipment** – Strong addition to commercial mower fleets for increased productivity.

60-Inch Commercial Walk-Behind Mower for High-Efficiency Cutting
